

Smart financial solutions designed by a trusted lender

Align is excited to continue working with you. Our highly sought-after team of financial experts create smart, strategic, and customized lending solutions to meet your needs, which is important during these uncertain times when flexibility is crucial.

Last year, over 80% of **Align Business Finance** deals included a broker partner! We offer speed, visible terms, expert advice, trust and capability, so visit our [Broker Resources](#) for [Technical Terms](#).

[Click here](#) to see our wins.

- Heavy Construction \$20M
- Aerospace Manufacturing \$10M
- Solar and Wind \$7M
- Oil and Gas \$3M

Let's do this!

Align Business Finance provides capital to companies across a wide range of industries. Align Business Finance and its affiliates have significant experience in general industrial transactions, as well as in the procurement and sale of industrial machinery and equipment. The Align principals are owners of more than 12 million sq. ft. of industrial real estate and have a long history of providing capital to companies in the processing and manufacturing sectors. The team has participated in originations of more than \$300,000,000 of machinery and equipment loans in the past five years.
