Align Business Finance provides capital to companies across a wide range of industries. Align Business Finance and its affiliates have significant experience in general industrial transactions, as well as in the procurement and sale of industrial machinery and equipment. The Align principals are owners of more than 12 million sq. ft. of industrial real estate and have a long history of providing capital to companies in the processing and manufacturing sectors. The team has participated in originations of more than \$300,000,000 of machinery and equipment loans in the past five years.
